The managers of the Rutland opera house are endeavoring to secure May Irwin and her company in "Mrs. Black is Back," as an attraction at an early date.

This week closed thirty-six years of continual service of H. A. Blake as the correspondent of The St. Johnsbury Calender from Sutton. Not one man besides him now lives in the village that was there then and that three women.

Fred W. Howard of Randolph is prepared to offer conclusive proof that deer shed their horns annually to those sceptics who presume to deny that fact of natural history. He has in his possession a pair of antlers which he picked in the woods a week ago, perfect in every respect, but softened and porous at the roots so that the animal was able to rub them off.

Mrs. Abbie Johnson Stone Stiles, of Hartford, Conn., recently celebrated her 96th birthday anniversary. Mrs. Stiles was born in Danville and at one time lived in St. Johnsbury. She has twenty-five grandchildren, twenty-six great grandchildren, and three great-great-grandchildren.

The Green and Gold Debating club of the University of Vermont held their trial debate for the selection of the team to represent Vermont in the Vermont-Bates intercollegiate debate which is to be held in Burlington in May. The question for debate was "Resolved, That the United States Should Maintain a Policy of Colonial Expansion." Each contestant was allowed to speak five minutes on either side of the question. The students selected were Everett V. Perkins, '05, captain, Ralph Perry, '06, and Archie W. Stone, '07, alternate. Lee H. Hulet, '05. The judges were Professors Emerson, Tupper and Jackson.

This seems like an impossibility, but it is in fact. She plays the organ with one hand and the piano with the other and makes a grand music that is very pleasing to the ear.

PILES

"I have suffered with piles for thirty-six years. One year ago last April I began taking Cascarets for constipation. In the course of a week I noticed the piles began to disappear and as the end of six weeks they did not trouble me at all. Cascarets have done wonders for me. I am entirely cured and feel like a new man." George Kryder, Napoleon, O.

GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Mansell, Maryland black, Butte, Montana, bought a bottle of Newbro's Herpicide, April 9, '04, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

42 AND MOTHER OF 17.

Mrs. Connor of Covelo, Cal., Disproves the Race Suicide Theory.

Covelo, Cal., Feb. 26.—Just by way of friendly encouragement, President Roosevelt ought to give a medal to Mrs. Mel Connor of this place. Mrs. Connor is making a record that any woman may be proud of.

A son has been born to Mrs. Connor, making the seventeenth child in the family. Notwithstanding all the responsibilities attendant upon the mothering of nearly a dozen and a half youngsters, the woman by no means betrays her forty-two years. She is, moreover, a grandmother, but that fact would never be surmised from her looks. She is robust and youthful.

HEIR TO \$125,000.

Charles Hutchinson Hears of Good Fortune.

Portland, Me., Feb. 26.—Charles Hutchinson, 47 Brown street, received a telegram last evening that he is heir to \$125,000, a part of the estate of his uncle, William Hutchinson, a flour dealer of Chicago.

For 18 years Charles Hutchinson has been employed by the street railroad company. He is a hardworking, quiet man, and his friends say he will make good use of the money.

1,500,000 PENNIES.

Spent For Gum on Santa Fe Railroad System.

Chicago, Feb. 26.—Some interesting statistics have been compiled showing how trilling articles pile up in a year on the Santa Fe system. In the four hundred stations between Chicago and the Pacific coast are slot machines containing gum. Into these machines last year were dropped 1,500,000 pennies for gum, the sum being \$15,000.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease for over 35 years. A sure protection to you is our name on the wrapper. Look for it on all Dr. King's or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada. Sold at the Red Cross Pharmacy and Parlor Drug Store, Barre, Vt.

Had Eggs Every Day.

The winter of 1903 and 1904 was especially severe and you could hardly blame hens if they didn't lay. Mrs. D. P. Smith of Washington, Vt., says she has eggs every day. In her letter, which follows, she tells how she brought about these results: "I write to inform you of the excellent results obtained from the use of 'Page's Poultry Food.' I have twenty-seven hens. I have not had a sick fowl and have had eggs every day through the exceptionally cold winter. I can say that I cannot afford to do without 'Page's Poultry Food.'"
